

ONE[®] FOR ALL

OARHMM02B/OARHMM01B

Universal Remotes with Protective Shield

- :: **Controls** – up to 2 devices, TV and SAT/CBL/DTC
- :: **Replaces** – and consolidates most major remote brands
- :: **Simplifies device setup** – with automatic, manual and direct code search methods
- :: **Protects itself** – with an outer membrane that prevents dust and debris from settling between keys
- :: **Cleans up quickly** – and easily since its smooth surface lets you wipe away spills, residue and more
- :: **Enables direct access** – to digital sub-channels (like 59.1)
- :: **Includes Closed Captioning** – for broadcasts with captions for the hearing-impaired
- :: **Factory-programmed to simplify TV setup** – The TV button is pre-programmed with the most popular code for each of these TV brands: RCA, Philips, LG, Panasonic, Vizio and Zenith. By doing so, there's potentially no need to program a TV code.
- :: **Secure screw included for battery door**
- :: **90-Day Limited Warranty**

Easy to use
Easy to clean

Tested to International Standard
IEC60529 IPX3.
